Class and Style - 1

Champagne tasting is an unusual and stylish event. We pay a lot of attention so that every element was of the highest quality. The end result must be electrifying.

Class and Style - 2

The only task of the guests is to enjoy uncommon and exclusive liquors

Props

We present unusual and surprising gadgets

Cocktails

Additional option

Each participant will have the opportunity to prepare several unusual and astonishing cocktails on the basis of presented champagnes

All necessary ingredients and recipes will be prepared by Pick and Taste, the participants will only have to make a perfect matching

Lightness and subtlety of prepared liquors will surprise even the most experienced connoisseurs

Food Pairing

Additional option

Champagne and food is a perfect match

Seafood, desserts and even properly prepared meat can be surprising companions to champagne

Each participant will receive several exemplary dishes to become convinced of accuracy of suggested pairs by tasting different types of champagne

Special menu will be prepared on request of the presenter of the tasting so that, combined with champagne, it could create ideal balance of bouquet and taste
